AGRICULTURAL CLASSIFICATION APPLICATION

TANGIBLE RETURN REQUIREMENT FORM

Our records indicate that you own, operate, or have started an agricultural operation in Polk County. Florida Statute 193.052 requires that all Tangible Personal Property be reported each year to the Property Appraiser's Office. Tangible personal property is everything other than real estate that is used in a business. Examples of tangible personal property (TPP) include computers, tools, machinery, signs, tractors, mowers, feeders, scales, and the like. Any supplies or equipment related to the AG operation(s) should be reported.

Every business that files an initial TPP return by April 1st is granted an exemption of up to $25,000. If the value of your tangible assets is **$25,000 or less** you do not have to file a TPP return in subsequent years. If, however, your TPP value is **more than $25,000** as of January 1st of any subsequent year, you must file a TPP return (DR-405) by April 1st of that year in order to continue to receive the TPP exemption.
